QUESTIONS YOU MAY HAVE:

Q: IS PARENT ATTENDANCE REQUIRED?

A: It is very important that students attend with either a parent or significant adult in their life. For families who are unable to send a parent, we welcome the child's grandparent, aunt or uncle, family friend, baptismal sponsor, or another adult to fill that role.

Q: WHAT IF I CAN'T MAKE IT ALL 4 WEEKS?

A: We ask that all participants attend all 4 weeks in order to be gifted with this particular Bible in worship. If you are hoping to take this class but these four Wednesday evenings do not work with your schedule, please let Amy Schmidt know. With enough interest, this class could potentially be offered at an alternate season/time in the future.

Q: WHAT IF I DON'T KNOW ANYTHING ABOUT THE BIBLE?

A: Please join us! This class will be taught in a way that whether someone is holding a Bible for the very first time OR they've studied it their whole life, they'll fit right in! We will never put you on the spot. We design this class to make it as easy and comfortable as possible for everyone to discover the basics of the Bible.

Q: WHAT IF I ALREADY KNOW HOW TO USE A BIBLE?

A: Please join us! While this class is an intro to the Bible, it also provides time for families to connect with one another, features time to highlight key verses, explore God's Word to us, look at our church's beliefs, and see the big picture of salvation. Plus, this Bible has unique study features designed to guide children and families in their personal devotion life!

Q: WHAT IF MY CHILD ATTENDS CHRIST SCHOOL AND ALREADY RECEIVED A BIBLE?

A: Students who have already received their "Faith Alive" Bibles at school are absolutely welcome to attend this Bible Class too! We designed this class to compliment the great ministry happening in our school. We intentionally chose a different Bible (the "Growing in Faith" Bible) to give our students, which has very different study features and family resources, but it is in the same ESV translation as the Bibles used at Christ School. Students at Christ School will also enjoy this time with their parents/faith mentors, discover even more about the Bible, and learn to use it in new ways!

Q: MY CHILD ATTENDED LAST YEAR. SHOULD THEY ATTEND AGAIN?

A: Students are absolutely welcome to attend again. Please bring the Bible they already received with you. While the class will go over similar material from last year, it will be a great review, a chance to connect with other families, and there will be new opportunities to highlight even more key verses.

Q: IS CHILDCARE AVAILABLE?

A: Yes! We offer nursery care for infants through 1st grade on Wednesday evenings during our Get to Know Your New Bible Class. Please help us get a count for nursery by registering your child(ren).

Q: WILL THERE BE FOOD?

A: Pizza and drinks are available for purchase in the Commons, 5:45-6:10pm. We do our best to estimate how much will be needed, but when it's gone it's gone!

No Pressure

- **...to remember: Assume everything is new**
- **...to have the answers: Never ask a question with a right or wrong answer**
- **...to know the lingo: Say it two ways**
- **...to be fast: Give tasks open-ended follow-up activities to feel like we've finished together**
- **...for it to be easy: It's not always easy**
